ORDER FORM FOR KUGS® BIPODS

To be sent by mail or email to public@kugs.ch

The KUGS® FIXE and PROG bipods are listed as approved accessories in the official "Catalog of Authorized Devices" (27.132 dfi) for the SIG 550 - FASS/PE 90, effective January 1st, 2027.

While we offer everyone the option to order a KUGS® bipod directly using this form, we nevertheless encourage online users to prioritize the retail locations listed on www.kugs.ch; the prices are the same.

Your order is binding. Upon receipt of your order, the corresponding invoice will be sent to you. Your bipod will be shipped after we receive your payment. Your contact for KUGS® products is Florian KOHLI - P.O. Box 147 - 1211 Geneva 13 - public@kugs.ch - www.kugs.ch (CHE-429.158.842). For all orders placed via email, a scanned document is considered an original.
